

Patten Free Library

Planned Giving Information

We encourage donors who want to make a lasting gift to support the Patten Free Library to consider an endowment gift. Over one-third of the library's annual revenue comes from our endowment, so your gift will have a direct and lasting impact on our success.

Endowment Donors are invited to join our **John Patten Society** by:

- Giving a donation of \$5,000 or more to the Endowment
- Designating Patten Free Library in a Will
- Including Patten Free Library in Legacy Giving plans

Please contact our Development Director, Samantha Ricker, at sricker@pattenfreelibrary.org or 207-443-5141 x.1019 to learn more about how you can leave a legacy gift for the Library.

Complete the form below and return to *Patten Free Library, Development Office, 33 Summer Street, Bath, ME 04530* to learn more or to make your commitment to the Library's endowment today.

YES! I'm interested in sustaining the future of Patten Free Library!

Name: _____ Email: _____

Address: _____ Phone: _____
